

PT012D Dome Reversal & Growth Gauge

The system that more Canmakers use worldwide.

The new "D" Class is Better Than Ever!

Features:

- * Industry standard testing
- * Simple to use
- * Real time Pressure graphing
- * On-screen data table with color pass/fail indicator
- * Built-in pressure intensifier creates 10Bar(145psi) test pressure
- * Automatic Dome Growth compensates for can slippage
- * Fast sampling speed to capture "true" peak pressure
- * Automatic Calibration (with appropriate standard)
- * USB Service port - Program updates, Back-up/restore setting
- * Adjustable fast & slow flow rates
- * RS232 and Ethernet data ports
- * Excellent serviceability
- * Enhanced diagnostic screens
- * Test other body diameters with simple drop in change-parts
- * Test both straight wall and necked cans

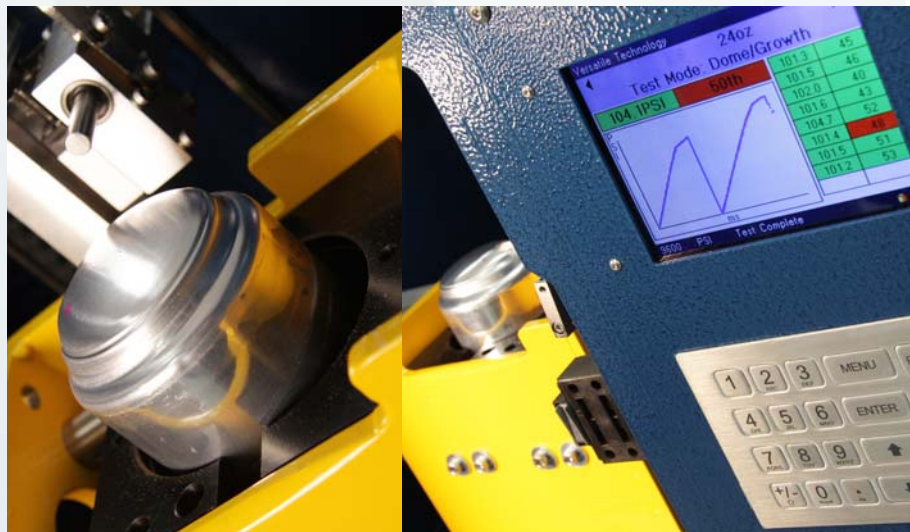

* Realtime Graphing

Force Versus Time

* Data Tabulation
